

4th International Conference on Circuits, Control, Communication and Computing-I4C-2022, on 21-23 December 2022

Theme: Smart and Sustainable Technology for Engineering and Healthcare

Pre-Conference Tutorial

Date: 21.12.2022

Time: 2pm to 5pm

Venue: LHC Seminar Hall-II

Topic: Audio Processing

Resource Person Profile

Mr. Shailesh Sakri

Director, Software Audio, Harman International

Shailesh is currently working as Director, Software Audio, Harman International responsible for Car Audio solutions like Audio Personalization, ANC, Road Noise Cancellation, Vehicle Noise Compensation, Audio Equalizer, Surround sound Audio, and other audio features to major car audio manufacturers worldwide. He has 22 years of industrial experience in the field of Audio Signal processing. He has worked in the capacity of Director of Audio Algorithms in Knowles (Formerly Audience Inc) and Manager in Amazon Lab126. He earned his Bachelors's Degree from Gulbarga University and a Master's Degree from BITS Pilani. He has extensively worked on Noise Suppression and Echo Cancellers which were adopted into major smartphones like Apple, Samsung, Xiaomi, LG, OnePlus, etc. Shailesh worked in Amazon Lab126 and was leading the team which delivered the industry's leading smart speaker product the Echo Show series (Echo Show, Echo Spot, Echo Show 5, Echo Show8) of products. He holds seven US patents. He is currently serving as the Chairman of the IEEE Bangalore Section Signal Processing Chapter.
